

WHAT

## Pistoia Alliance Chemical Safety Library CSLDatathon

To increase the valuable content in the free Chemical Safety Library (CSL), we are hosting a 2-week datathon to promote submissions to the CSL. Participants are encouraged to submit incidents from the literature, in internal files or from personal experience.

### You could win a \$100 gift card!

Other prizes will also be awarded!  
Top contributors recognized on the Pistoia Alliance blog

WHO

- Chemistry librarians
- Students
- EH&S officers
- Lab scientists
- All interested parties

WHEN

- **17<sup>th</sup> October, 2017**

Contest begins.

- **18<sup>th</sup> October, 2017 11:00 am EST/4:00 pm UK**

Kick-off Webinar will provide training, tips and tricks. Register here:  
<https://attendee.gotowebinar.com/register/4454858662405370370>  
(Webinar will be recorded and posted on website for later viewing)

- **31<sup>st</sup> October, 2017**

Contest ends. Prizes awarded to the persons who submitted the most approved incidents. CSL curation team decisions are final.

**Note:** All entrants who have not already registered on the CSL must do so to participate. (Please do not register again if you have an account.) All entries must be approved by the CSL curation team to qualify.

**What is the Pistoia Alliance Chemical Safety Library?** A community collaboration experiment to collect & share laboratory chemical reaction incident information to increase laboratory safety. (<http://www.chemicalsafetylibrary.org/>)
